

FUNDRAISER FOR ERYK WALASZCZYK

Saturday, February 25, 2012 12:00PM–8:00PM

Polish Club of Denver, 3121 W Alameda Ave., Denver 80219

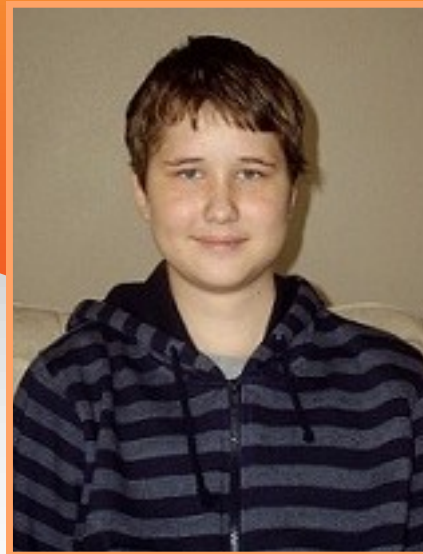

In March 2011, Eryk and his parents came to Colorado. They planned to stay for one year. His father, a professor of geology at the University of Warsaw, had been invited to do research for the US Geological Survey.

In November 2011, the family got the devastating news—Eryk was diagnosed with acute lymphoblastic leukemia and is currently undergoing a three-year intensive cancer treatment at the Children's Hospital. The immense medical costs are beyond the family's ability to keep up financially. They need your help to complete Eryk's treatment.

The family lives in Lakewood, where Eryk was previously enrolled at Henry World Middle School. They planned to return to Poland in March 2012 but will have to remain in Colorado until Eryk completes his treatment. The potential risks associated with interrupting the treatment are too high.

On Saturday, February 25 2012, The Polish Club of Denver, together with our partners, will host a fundraiser for Eryk.

All donations will support The Walaszczyk Family. Please join us for a day of fun, live auction, live music and traditional Polish food. By joining us, you will make a difference in Eryk's recovery.

**ERYK WALASZCZYK, 14 years old,
loves drawing sports cars.**
